PREAMBLE

This Agreement entered into this 16th day of June, 1981, by and between the Board of Education of Bethlehem Township, Asbury, RD, New Jersey, 08802, hereinafter called the "Board" and Bethlehem Township Education Association, hereinafter called the "Association".

The Teacher Association and the Board of Education of Bethlehem Township, Hunterdon County, New Jersey, do hereby agree that the welfare of the children of the school district is paramount in the operation of the Bethlehem Township School District and will be promoted in all the effective ways possible.

In its philosophy of education, the Board and the Association recognize that providing a quality education for the students of the Bethlehem Township School District is their primary aim and that the character of such education depends predominately upon the quality of teaching, the availability of materials, the utility of facilities, and the application of professional ethical processes in administration.

In consideration of the following mutual philosophy, it is hereby agreed as follows:

ARTICLE 1

RECOGNITION

A. Unit

The Board hereby recognizes the Association as the exclusive and sole representative for collective negotiation concerning grievances and terms and conditions of employment consistent with Chapter 123, P.L. 1974, the unit described as non-administrative teachers.

B. Definition of Teacher

Unless otherwise indicated, the term "teachers," when used hereinafter in this Agreement, shall refer to all non-administrative teachers employed by the Board and represented by the Association in the negotiating unit as above defined, and references to male teachers shall include female teachers.

ARTICLE 2

NEGOTIATION OF SUCCESSOR AGREEMENT

A. Deadline Date

The parties agree to enter into collective negotiation over a successor Agreement in accordance with Chapter 123, Public Laws 1974, in a good faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment, provided such negotiations are requested by the Association's exclusive representative. Any Agreement so negotiated shall apply to all teachers, be reduced to writing, be signed after adoption by both the Board and the Association.

B. Modification

This Agreement shall not be modified in whole or in part by the parties except by a written document agreed to and signed by both parties.

ARTICLE 3
GRIEVANCE PROCEDURE

A. Definitions

1. Grievance

A "Grievance" is a claim by a teacher or the Association based upon the interpretation, application, or violation of this Agreement, policies or administrative decisions affecting a teacher or a group of teachers.

2. Aggrieved person

An "aggrieved person" is the teacher or teachers or the Association making the claim.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time limits

Since it is important to both parties that grievances be processed as rapidly as possible, and in good faith, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The length of time specified may, however, be extended by mutual agreement.

2. Year-end grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, both parties should attempt to reduce the time limits set forth herein, so that the grievance procedure may be exhausted prior to the end of the school year or as soon as practicable thereafter.

3. Level One - Principal

A teacher with a grievance shall first discuss it with his principal either directly or through the Association's designated representative, with the objective of resolving the matter informally.

Article 3 - continued

If the aggrieved person is not satisfied with the discussion, the teacher or the Association may within five (5) school days and if within thirty (30) calendar days of the action giving rise to the grievance, may set forth the grievance in writing to the principal. The written grievance shall state: a) the grievant's name; b) the date of the written grievance; and, c) the specific remedy sought by the grievant.

The principal shall communicate his decision to the grievant in writing within five (5) school days of receipt of the written grievance.

4. Level Two - Board of Education

The grievant may appeal the principal's decision to the Board of Education. The appeal to the Board of Education must be in writing and filed within five (5) school days of receipt of the principal's written decision.

The Board of Education, or its designated committee, shall meet with the grievant and his representatives within fifteen (15) school days to discuss the grievance. The Board shall issue a written decision concerning the grievance no later than five (5) school days after this meeting. The decision of the Board at this level is final insofar as the dispute relates to Board policies or administrative decision.

5. Level Three - Arbitration

If the grievant is not satisfied with the disposition of the grievance at the Board level, or if no decision has been rendered within five (5) school days of the Board meeting, the Association may submit the grievance to arbitration if the dispute concerns the express written terms of the labor Agreement. A request for a list of arbitrators may be made either to the American Arbitration Association or the Public Employment Relations Commission. The parties shall then be bound by the rules and procedures of the designated agency in the selection of an arbitrator. The arbitrator so selected shall confer with the representatives of the Board and Association, holding hearings promptly and shall issue a decision not later than thirty (30) days from the close of the hearing. The arbitrator's decision shall be in writing and shall set forth findings of fact, reasoning and conclusions on the issue submitted. The arbitrator may not amend or modify the provisions of this Agreement. The decision of the arbitrator shall be binding upon the parties.

In the event of arbitration, the costs of the arbitrator's services shall be shared by the parties and each of the parties shall bear their own costs.

Article 3 - continued

6. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year, and the avoidance of disputes which threaten to interfere with such operation. Since the parties have established a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association accordingly agrees, during the period of this Agreement, that it will not, nor will any person acting in its behalf cause, authorize, or support, nor will any of its members take part in any strike. The Board accordingly agrees, during the period of this Agreement, that it will not lockout employees.

D. Rights of Teachers to Representation

1. Teacher and Association

Any aggrieved teacher may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

2. Separate Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

3. Meetings and Hearings

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in the ARTICLE.

ARTICLE 4

TEACHER RIGHTS

A. Required Meetings or Hearings

Whenever any teacher is required to appear before the Board concerning any matter which could adversely affect the continuation of that teacher in his/her office, position or employment, or the salary or any increments pertaining thereto, then he/she shall be given prior written notice of the reasons for such meeting or interview, and shall be entitled to have a representative of the Association present to advise him/her and represent him/her during such meeting or interview. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative and said fee will not be used for partisan political or ideological activities or causes or applied toward the cost of benefits available only to members of the majority representatives.

B Amount of Fee

1. Notification

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by nonmembers will be determined by the Association in accordance with the law.

2. Legal Maximum

In order to adequately offset the per capita costs of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee will not exceed 85% of that amount as the maximum presently allowed by law. Article 16 - continued

- (b) 30 days after the employee begins his/her employment previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid 10 days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

3. Termination of Employment

If an employee who is required to pay a representation fee terminates his/her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.
